KERATIN BOND HAIR EXTENSIONS

# KERATIN BOND HAIR EXTENSIONS

## DISCOVER THE BENEFITS OF THE WORLD'S FINEST QUALITY HAIR EXTENSIONS

If you crave more volume, length, wish you could fill in some light areas or highlight your hair without damage, then our organic keratin bond extensions are the solution for you.

Over 100 colours are available and range in lengths between 30cm & 60cm. Bonds are attached to the hair using a special tong that creates ultrasonic vibrations and results are lasting between 4-6 months.

Great Lengths source 100% of their hair directly from Indian temples with donor consent with every batch checked to ensure virgin quality hair that has never been chemically treated.

A consultation with an extension specialist is required to learn more about pricing, colour matching and solutions. All enquiries are welcome and consultations are **FREE**.
